CHATEAU COLLECTION: ANTIBES

The *finest* European oak

Antibes, the charming and chic seaside rampart town on the French Riviera, is home to the Picasso Museum, celebrating the works of the modern artist. It was this juxtaposition of old and new, the modern sensibility against the ancient backdrop, that inspired our Antibes color. This color blends a fresh quality for contemporary interiors with a patina that tells of time, aging in place, full of depth and interest.

Product ID	CHTANT7-24
Wear Layer	4 mm ¹
Available Width	7-1/2" / 190 mm
Length	Random Length Up To 74 3/4" (1900 mm)
Coverage Per Box	23.315 Sq.ft.
Weight Per Box	47 Pounds
Species	European Oak
Construction	Engineered
Grade	Character
Finish	UV Oil
Surface Treatment	Smooth Wire-Brush
Thickness	5/8 Inch (15 mm)
Sheen	Matte
Installation	Glue-Down, Nail/Staple, or Floating
Radiant Heat	Approved (See Installation Instructions)
Warranty	Limited Lifetime Structural Integrity. 25-Year Residential Surface Finish. 3-Year Commercial Surface Finish
Trim	Stairnose, Reducer Threshold, T-Mold, and Squarenose

Product Sample Disclaimer: Created to be a truly individual piece of nature's artistry, each and every DUCHATEAU product carries distinct variations in size, shape, thickness, finish, texture, grain and overall character. This is how we develop the unique diversity and natural elegance of our flooring. Individual samples of these floors are merely for reference and not meant to serve as exact representations; it is virtually impossible to capture - in a single image or physical sample - the entire range of color variation and character that will be present in the flooring you will receive. To better understand the unique look of DUCHATEAU finished floor in your space, we recommend consulting your sales representative for more details.

Installation and Performance Disclaimer: Environmental conditions, such as exposure to light, and fluctuations in temperature and humidity, can affect product performance from initial installation throughout its life. Refer to our website for installation guidelines or see your local sales representative for more information on proper steps and specific environmental conditions to successfully install, care for and ensure the lifelong performance of your floor.

Note: All measurements are nominal. ¹Nominal wear layer thickness measured prior to finishing processes. Finishing processes such as wire-brushing will affect the overall thickness. 2522 TSCA Title VI Compliant. Made in Malaysia. ©DUCHATEAU | All rights reserved.
