ZEN

- Heatset Frieze Polypropylene & Shrink Polyester, Machine-made in Turkey
 - Zen rugs feature a blend of distressed geometric and abstract patterns
 - Blend of frieze polyester and soft polypropylene provides a comfortable step under foot
 - Monochromatic hues give this collection's chic geometric designs a luxuriously faded vibe
 - Shed-free and overall easy to maintain, these rugs provide a durable and natural sense of style for your high-traffic space
- * Select designs available in Finished Runner - if available, indicated by accompanying image
