ECLIPSE

- Excelon polypropylene, machine-made in Belgium
- Wide variety of designs, ranging from transitional to floral to contemporary to geometric
- Double-pointed and drop-stitching techniques bring out the finest details in the design work
- The colors range as widely as the designs, from neutral blues and greys to rich reds and browns
- Durable, versatile, and easy to care for

* Select designs available in 9x12.5 size and Roll Runner – if available, indicated by stating as such above the rectangle image, alongside the design-color #
