MYSTERIO

- Polypropylene, machine-made in Belgium
- Gorgeous transitional designs that perfectly fall in line with today's modern, high-fashion aesthetic in home décor
- The pile is traditional in the sense of its touch, feel, and density
- Interlaces beautifully muted metallic tones, from pewter to light silver to sky blue, with neutral shades of browns, beiges and ivory
- Non-shedding and overall practical, durable, and resistant to moisture, fading, and staining

* Select designs available in matching Roll Runner – if available, indicated by stating as such above the rectangle image, alongside the design-color #
