Wool/Nylon Blend

\$\$\$\$\$

The Legacy collection showcases the artistry of space-dyed wool and nylon in a beautifully crafted area rug. Woven on an Axminster loom, the pieces offer exceptional quality and durability while maintaining the look of a hand-knotted rug through the use of zero pile as well as incorporated fringe. The saturated and textured jewel tones of sapphire, emerald and amethyst, as well as rich shades of crimson, gold and brown are wonderfully striking in contrast to the deep midnight shade of the exposed weft yarn and fringe. Featuring global styling with a bohemian twist, the Legacy collection brings both timeless sophistication as well as a sense of joy and fun to an endless array of interior styles.
