

# PORTFOLIO EDITION

The Portfolio Edition embodies the legacy of DUCHATEAU craftsmanship in luxury vinyl planks, offering coordinating herringbone patterns for three tones, and opening possibility to create extraordinary statements.

With sixteen plank designs and surface embossing identical to the visual grain pattern, you may not even tell at first glance that it isn't natural wood.

## Striking

71 sq ft of unique plank design and minimal repeat—the organic high variation of real wood across 16 distinct print films of grain.

## Simple

The 5G Click system is designed for fast installation. Cleaning requires only light mopping. Spills remain at the surface—waterproof from above once installed.

## Substantial

A foundation for your lifestyle, your floor is prepared to be lived on. Portfolio flooring repels stains and scratches and remains beautiful year after year.

## Silent

Each plank is cushioned with a sound-dampening foam backing, ensuring tranquility for those walking on the floor and those that may be below.
